## GOLF SHOP HOURS OF OPERATION

DAILY

6:30 a.m. - 5:30 p.m.

Bobby Jones Golf Club is the only golf facility located within the city limits of beautiful Sarasota - a golfing mecca nestled on the Gulf of Mexico coast just one hour south of Tampa, Florida. The facility sits on approximately 300 acres of virgin meadowland adjacent to Fruitville Road (State Road 780), the gateway to downtown Sarasota and its world famous beaches.

This historic gem, initially designed by Donald Ross in 1926, has grown to include two 18-hole championship courses and a 9-hole executive course. A particularly unique feature of this complex is the absence of any building development on all but one golf hole.

***“Excellent Public Course Located within minutes of downtown Sarasota and just as equal distance to 75, I hear Bobby Jones Golf Course has been approved for a major renovation coming soon! Sure looking forward to the improvements of one of Sarasota’s iconic landmarks.”***

## AMERICAN COURSE

18-HOLE, PAR 71 COURSE OF 6,032 YARDS  
FROM THE BACK TEES

This course is most popular with seniors, women and golfers who prefer varied terrain. The combination of gently rolling hills, sparkling lakes, meandering streams and majestic live oaks make this course a shot makers dream. There are four tee stations at each hole to accommodate varied skill levels and large gently contoured Diamond Zoysia greens with strategically placed sand bunkers to challenge every golfer's short game. On-course amenities include continuous concrete cart paths, fairway and cart path yardage markers, men's and women's restrooms on both front and back nines, drinking water stations, ball washers and benches for the convenience of the many walking golfers.

---

## BRITISH COURSE

18-HOLE, PAR 72 COURSE OF 6,710 YARDS  
FROM THE BACK TEES

The layout is preferred by long hitting, low handicappers. The original Donald Ross design (back 9 holes) has been maintained with moderately sized elevated greens, manicured approaches, open fairways and multiple bunkers. Many large live oaks, pine stands, and palms give definition to the long straight fairways. Several ponds and streams come into play and require prudent caution by long hitters. Four tee stations offer a challenge to all types of golfers and the dome shaped greens, a Ross signature characteristic, requires a deft touch and precise execution to be successful. On-course amenities include continuous concrete cart paths, fairway and cart path yardage markers, on course restrooms, drinking water stations, ball washers, tee benches and several walking bridges to accommodate the walking golfer.

---

## GILLESPIE EXECUTIVE COURSE

9-HOLE, PAR 30 COURSE OF 1,716 YARDS  
CONSISTS OF THREE PAR 4'S & SIX PAR 3'S

This 9-hole, par 30 executive course is 1,716 yards long and consists of three par 4's and six par 3's. This little gem is popular with the very young, the very old and the very new golfer as well as folks who want to sharpen their short game skills or have only a limited amount of time to spend on their round. There are two tee stations at each hole and the small elevated oval greens make accuracy a priority. A large ravine bisects the course and serves to protect several of the green approaches. Small ponds and a variety of oaks and palms make this 35 acre tract a terrific little golf course.
